BINDERS

The Centralia School District understands that the cost of a quality binder can be pricey. Therefore, we will be supplying each student with a quality 3-ring binder and dividers to organize their materials. (There is no need for students to collect a new set of binders and dividers if they still have their binder from last school year.) We ask for parents to pay a \$5 fee to Chester Boren Middle School for these binders and folders.

**** There may be additional supplies that students may need for specific classes throughout the school year. The students will be made aware of these needs prior to the dates in which the supplies will be used in class.****
