

Phoneme Deletion of Final Sound

Consider using the following activities at home with your child:

- ★ Give your child a word and have them repeat it back to you. Then, take away the last sound and see if they can tell you the new word.
 - Say torch→ without /ch/ what's left is? → tore
 - Say paste → without /t/ what's left is? → pace
 - Say storm→ without /m/ what's left is? → store

- ★ **Switch-A-Roo!** Give your child a word and have them repeat it back. Then, change the last sound to a new sound and see if they can tell you the new word.
 - Say bark→ change /k/ to /n/ and the word is? → barn
 - Say curve→ change /v/ to /l/ and the word is? → curl
 - Say write→ change /t/ to /z/ and the word is? → rise

- ★ Books to enjoy together: Look for these books at the library that support phonological awareness!
